RE: EPA I.D. #COD982597080

Dear Ms. Neumiller:

The above-referenced I.D. number that was issued to my company was never used and needs to be deactivated. Initially, we thought that the waste was hazardous, but in talking to Mr. Bob Fiehwig at Metropolitan Denver Sewage Disposal District #1, it was decided that they could handle treatment of the waste.

Thank you very much for your cooperation. If you have any further questions, please feel free to give me a call.

Sincerely,

MEYER ASSET MANAGEMENT, INC.
